Selecting and Preparing Produce for Exhibit Judging Standards:

Excellent: Clean, free from any damage, uniform in size, true to variety.

Good: Free from damage (no more than 5% loss of total weight), relatively uniform in size, fairly true to variety.

Worthy: Fairly clean, free from serious damage (no more than 10% loss of total weight), fairly uniform in size.

No Award: Dirty, seriously damaged, over mature, extremely different in size, shape, or color.

Trim Correctly: Cut off tops of all root crops about 1 inch above the roots.

Quantity: Check Fair Premium Book for proper quantity. **Wash or Brush:** Harvest only clean vegetables or wash with soft brush or soft cloth.

Type: Specimens must represent type of variety.

CLASS 19 • Baking & Cooking Contest

Judging Guidelines:

All pies must contain only the fruit of the contest (i.e., apple, blueberry). Pies made from a combination of fruits will be disqualified from judging (such pies will be disqualified at the state level.) The recipes must be cooked as submitted. Judges will eliminate from consideration any pie which obviously is not done as the written recipe states (example: a pie which contains raisins, but no raisins are listed in the written recipe.)

Judging will be done in three basic categories:

1. Appearance: Judges are looking for overall eye appeal, uniformity of shape, color, and appearance of the crust.
2. Taste: The crust and filling are to be judged separately. In evaluating the crust judges will consider flavor, texture, and color.
3. Preparation: This is to be determined from the written recipe which will accompany each entry from the beginning to completion. Please write legibly. Judges will consider ease of preparing the recipe and how clearly the recipe ingredients and instructions are written.

Scoring Guidelines:

Judges must use the score sheet as supplied. The categories are as follows:

- Overall appearance: 30 Points
- Crust (Flavor, Texture, Color): 30 Points

- Filling (Flavor and consistency): 30 Points
- Ease of preparation and clarity of recipe: 10 points

Judges shall total the points for each entry. The contest coordinator will compile the judges scores on a summary sheet. The positions will be determined by the total number of points given by all the judges. In the event two or more contestants have identical point totals, the judges shall determine the order of finish by mutual agreement. **All decisions shall be final.** Each judge shall sign a score sheet and completed sheets will be sent to the Maine Department Agriculture coordinator. If anyone has any questions about judging feel free to talk with the judges or the Hall Superintendent.

ALL score sheets shall remain confidential.

All entries must be made from scratch. NO MIXES.

FIRST PLACE WINNER of the Apple Pie Contest may go on to the State Pie Contest at the Agricultural Trade Show held in Augusta in January the following year.
